

WHAT IS TAX-EXEMPT MUNICIPAL FINANCING?

Municipalities have a variety of funding needs and institutional constraints. When new equipment or facilities are needed, funds aren't always available. A Tax-Exempt Municipal Lease allows local government entities to procure the items they need now through manageable installment payments, often pulled from their existing operating budgets. Because no new debt is created and included non-appropriation language, TEML financing does not require voter approval in most states.

IMMEDIATE OWNERSHIP

- No down payment required
- Quick credit approval and funding
- Finance 100% off your acquisition including soft cost

FLEXIBLE PAYMENTS

- Payments align with existing budget calendar
- No buy-out or residual at the end of the term
- Defer first payment up to 12 months

SATISFIES BID REQUIREMENTS

- Sourcewell-awarded contract for financing
- Non-appropriation language included with every NCL TEML
- No voter approval required in most states
