

DOING MORE WITH LESS

WHEN TO INTRODUCE A FINANCE SOLUTION

Two questions are always asked regarding procurement. What are we going to buy and how are we going to fund it? Whether you are a vendor or end user, bringing a financing solution to the table provides a streamlined approach to procurement with increased satisfaction for both parties.

INCREASED PURCHASING POWER WITH FLEXIBILITY

Budgeting for finance payments is infinitely easier than tackling the entire project cost. Financing allows you to utilize current and future budgets to make your procurement more manageable with benefits such as deferred payments allowing you to lock in scarce items or avoid further supply chain delays.

PROMT PAYMENT AND FUNDING

NCL provides quick credit approvals and funding for our clients. Our financing allows for down payments or deposits when required by the manufacture while maintaining a payment schedule that coincides with your budget calendar.

HARNESS THE POWER OF COOPERATIVE PURCHASING

The benefits of purchasing through a cooperative or state contract is well known and a widely used process. Why not include financing that has been competitively-bid? Our exclusive Sourcwell-awarded contract for financing ensures the financing aspect of your transaction satisfies local bid requirements.

NCL EXPERTISE

We have over 20 years of experience providing financing solutions to state and local governments. Our customized and flexible solutions have allowed communities all across America secure the equipment & facilities their communities need.
